

DR. RITA SANDERS

Obstetrics & Gynecology

October 15, 2017

Dear Patients,

It is with mixed emotions that I let you know I will be closing my medical practice as of December 21, 2017. It has been a great pleasure providing your healthcare needs over the years and I am honored for the trust you placed in me. For many of you, I have watched your families grow. I have shared in joy and heartache with hundreds of patients. Ending this doctor-patient relationship is much more difficult than I anticipated. I will be adding some additional appointments in November for those who need or would like to be seen.

I know some of you will have many questions. Let me assure you that your medical records will remain completely confidential. I will be transferring them to The Women's Health Group located at E 91st and Hwy 169 in the South Creek Medical Plaza. I would encourage you to consider transferring your care to this highly skilled group of physicians. You can make an appointment by contacting them at 918-293-6200, option 3.

If you choose to continue with an alternate physician or group, please contact my office before December 15, 2017 to obtain a copy of your medical records. After January 2, 2018 you will need to contact The Women's Health Group to obtain records. Call 918-293-6200 option 7. There is a flat fee of \$6.50 for paper copies.

I will continue to update my website with any changes, RitaSandersDO.com. Please feel free to leave comments or posts to my Facebook page if you desire.

I have greatly valued our relationship and thank you for your loyalty and friendship over the years. Blessings to you and your loved ones.

With Warmest Personal Regards,

Rita Sanders, D.O.
